

## Matching Obsolete Profiles

Application	<p>For those situations where you need to replace a roof or wall profile on an older building and cannot find the original manufacturer of the profile, Trimform can press-brake sheets to match old or obsolete profiles enabling repairs or refurbishment to proceed.</p> <p>Measure the profile that you want to match, complete the form on pages 1 and 2 and scan/email or fax back to Trimform Products on 01480 461102, E <a href="mailto:info@trimformfabs.co.uk">info@trimformfabs.co.uk</a>. Include a photo if possible to help in establishing the right profile for you</p>
